

THE MOSS GROUP, INC.

PREA Juvenile Specialized Investigations Training

Join The Moss Group for an informative virtual training that will provide key information on the requirements outlined in the PREA Standards, as well as best practices to investigate sexual abuse in juvenile facilities.

NOTE: This training covers PREA for juvenile facilities only.

Training objectives:

- You'll learn how PREA standards are relevant to investigations
- You'll understand how to conduct investigations unique to juvenile confinement settings
- You'll uncover techniques to interview juvenile victims of sexual abuse
- You'll learn the proper use of Miranda and Garrity warnings
- You'll discover how to collect sexual abuse evidence in confinement settings
- You'll gain confidence in substantiating a sexual abuse case.
