Making It Work:

Supporting PREA Compliance Roles in Real-World Conditions

WHAT WE'LL COVER

“Sufficient Time and Authority” Challenges and Impacts

Explore how the regulatory requirement for “sufficient time and authority” plays out in practice —especially in environments shaped by high staff turnover, competing responsibilities, and uneven training.

Strengthening the PC-PCM Support Pipeline

Examine how agency-level PCs can more effectively support PCMs, particularly when direct lines of supervision and authority are fragmented.

Audit Readiness in the Real World

Unpack strategies for preparing for and navigating audits under less-than-ideal conditions.
